

## ARIAIL FAMILY CEMETERY SURVEYS

### WHAT IS A CEMETERY?

*Lives are commemorated  
Deaths are recorded  
Families are reunited  
Memories are made tangible  
And love is undisguised.*

*Communities accord respect  
Families bestow reverence  
Historians seek information and  
Our heritage is thereby enriched.*

*Testimonies of devotion, pride and remembrance are  
cased in bronze to pay warm tribute to accomplishments  
and to the life, not the death, of a loved one.  
The cemetery is homeland for memorials that are a  
sustaining source of comfort to the living.*

*A cemetery is a history of people -- a perpetual record  
of yesterday and a sanctuary of peace and quiet today.  
A cemetery exists because every life is worth loving and remembering --  
ALWAYS!*

**SUCH ARE THE ARIAIL CEMETERIES**

*We would like to gratefully acknowledge a cousin of ours from Canada, by the name of Valerie, who has devoted of her time to organize the material in this document for more efficient usage by people visiting the family web site.*

Hannah Ariail Abt 1736 d. Aug 28, 1800, Thursday morning, aged 64 years

Possible burial site of John and Hannah Ariail. Ted Epton feels Oak Hill Cemetery is the cemetery, and the 1CC in Southington stated that the 1800 place of burying their dead was the Oak Hill Cemetery. This is very tentative information and not confirmed. Further research in Jul 1996 reveals that if John and Hannah Ariail are buried in this cemetery, they were not recorded at death and there are no markers. Will leave them as listed until actual grave sites are found. If we had

found them here, the cemetery records would have listed the father and mother of John Ariail. I have included some of the records of other family members so you can see how they were listed. Also, Luke Ariail and Eliza Ariail are listed as having died in Bethlehem, Connecticut, First Church Records and they are not listed as being buried in the Bellamy Cemetery in Bethlehem where Lukes grandson Charles Ariail is buried. Adding the the building mystery on where the family is buried up there is the fact that Hannahs father and mother lived in Brookfield, Mass., their children were born there, and when they died, they also disappeared. Could not find them listed as being buried in the Brookfield Cemetery. Is it possible that all these family members are buried in one cemetery that we have not located as yet? 1997 research (not confirmed) leads to conclusion that Luke Ariail and Eliza Ariail, are buried Bellamy Cemetery, Bethlehem, Ct and John and Hannah Ariail, South End Cemetery, Southington. Also, Luke's infant died Dec 1804 and is probably buried with John and Hannah in the South End Cemetery, Southington.

Robert Benjamin Smith, b. Jul 1867, d. Nov 13, 1930

Minnie Ariail Mauldin Smith, wife of Robert Benjamin Smith is listed as being buried in the Westview Cemetery in some records; however, there is strong possibility she is buried beside her husband because these two cemeteries are only ¼ mile apart. Their son and family are buried in the Westview Cemetery. No markers in either cemetery for Robert or Minnie Smith. She died in Toccoa, Georgia and probably mis-communications occurred as to where interment took place.

Chloe Climelia Ives Ariail, baptized Sep 20, 1778, Meriden, Ct., d. Feb 14, 1844, Married by Parson Willard, probably in Meriden, Connecticut, in November 1800.

Eliza Ariail, b. Mar 23, 1808, date of death unknown except believed to be before 1810 Census. Place of burial unknown, however, there is a blank space in row three of the Pickens Cemetery which is next to the grave of Chloe and no one has every been buried there according to cemetery documents. It is felt however that the reason that the space was never used is that early settlers knew that baby Eliza was resting there. It is not confirmed, but why would she have been buried anywhere else? This grave site was probed in Sep 1996 and a soft spot appeared where Eliza could have been buried. This confirms that the possibility exists that Eliza is buried next to her mother. The grave for her has been secured to preclude someone else from using the spot.

Arba Merriam d. Oct 12, 1834, Inscription--Sacred to the Memory of Arba Merriam, a native of Meriden, Ct., who departed this life October 12th, 1834, Aged 47 years. North Field, Lot 3 of Pickens Cemetery.

Comment: The 1810 census lists two unknown persons living with John and Chloe. The Ives and Merriams inter-married several times up in Connecticut, therefore, it is possible that this man came down with John Harvey and Chloe and was possibly related to Chloe

Samuel Greenfield Barr, b. 1775 d. Mar 21, 1816, This is the father of Mary Adelaide Barr Ariail w/o William Harrison Ariail.

Mary Warnock Barr, b. Sep 1780, d. Aug 31, 1849, Mother of Mary Adelaide Barr Ariail. (Note: It is possible that the Father and Mother of Mary Warnock Barr are also buried in the Pickens Cemetery as they lived on 23 Mile creek in the Washington District of South Carolina). It should be noted that the Richmond or Carmel or now The Pickens Cemetery, is situated in what was the Old Washington District of South Carolina and the Richmond or Carmel, as it was later named, church was the earliest known to exist in the interior Apex Cession or the Old Washington District of South Carolina. There is a grave marker (rock) next to Mary Warnock Barr with no data; however, the next marker (rock) has the inscription M.H. which are the initials of Mary Harvick, wife of Andrew Warnock and mother of Mary Warnock Barr.

Peter McMahan, buried next to Samuel Barr. They were closely related. No documents recovered as yet to indicate how, however, Susannah McMahan, wife of Peter McMahan left all her possession to the McKinney children who are grandchildren of Samuel Barr.

Susannah Slater McMahan, wife of Peter McMahan, buried next to Peter. There is a marker (rock) with the inscription that cannot be read, but why would she be buried anywhere else.

(Note: It is believed that these three are buried in the Ariail Plot between the graves of Nannie L. Ariail and Lillie Beatrice. Both William Orlando and James H. Ariail, sons of John Alvin Ariail were living in Piedmont when their parents died. Additionally, Jackie McNeill, wife of Raymond McNeill, who is grandson of John Alvin Ariail and Martha Field Ariail, states they are buried in Rose Hill Cemetery, Piedmont. I would conclude evidence is overwhelming as to their grave sites. However, upon finding and discussing grave sites with Lillie Beatrice Pryor, Lillie Beatrice Ariails' son, Ralph Styron, may be buried in one of the unmarked graves. If that is so, then John Alvin Ariail is probably buried beside his first wife and his 2nd wife Mary Ethel Brown Ariail is buried in other unmarked grave at Piedmont.)

Renee Ariail      Note: Renee Ariail is also listed on a plaque in the Catholic Church in village.

Note: Another Ariail buried in same line as Julien Ariail, but did not identify grave. Plot number is 753. Also of interest, gravesites are not maintained on permanent status as they are here in America. After a certain period of time, if they are listed as abandoned, they are wiped clean and plot resold to someone else. Therefore, it is not possible to find ancient graves in many instances. Some cemeteries do maintain records back into the 1800's and perhaps older, but the older graves are hard to locate.
